JIRA Backlog:

JIRA Burndown Chart:

The screenshot shows the Jira Software interface for the 'Foodnutrition' project. The 'Cumulative flow diagram' is selected in the left sidebar. The chart displays the number of issues in 'To Do' (purple), 'In Progress' (cyan), and 'Done' (green) states over time. The Y-axis is 'Issue Count' (0-10) and the X-axis is 'Time' (Nov 15 - Nov 16). The 'To Do' queue shows a significant spike starting around Nov 15 18:00, reaching a count of 10 by Nov 16 00:00. The 'In Progress' and 'Done' counts remain relatively stable, with 'Done' at 2 and 'In Progress' at 4.
